Summary: A short poem from Sapphire's point of view from the episode

Flowers for Nemesis

FLOWERS FOR NEMESIS

As I lay here dying I wonder what brought me here.

All I wanted was flowers.

Flowers for my cold, dead planet.

Wiseman says the Terrans took my flowers away.

But Prizma trusts them . . .

I know the end is near.

Beloved brother, fight on.

I still love you, even though you never believed me.

Maybe one day you'll join me in Heaven.

I can hear your cries, brother.

Can you bring me flowers?

That was all I ever wanted

Flowers for Nemesis . . . .

End
file.
